eklipse®

Keep your products fresher longer

eklipse® is perfectly suited for high-impact branding and makes your products stand out. Our shrink sleeve label films reduce total package costs and keep your beverages fresher longer by optimal light blocking properties.

Benefits

- Superior light-blocking properties, transmission rates of < 1%
- Extended shelf-life
- Vitamin, color & flavor protection
- Whitest film available in the market
- Ideal for contoured bottles

Applications

- Beverages
- Food
- Health & Beauty
- Home & Garden
